WORK EXPERIENCE

Craft Axe Throwing - Store Manager

August 2018 – July 2020

Oversaw all of store operations and marketing from the inception of the location. During this time, my store was featured on The Jimmy Fallon Show.

Jack Henry & Associates - Online Banking Representative

November 2017 – August 2018

Work with bank clients from various branches using a software suit to facilitate online banking operations.

MY WORK PHILOSOPHY

I am a team-oriented individual and I'm keen to prioritizing my efforts in order to achieve a group goal.

I find the challenges rewarding whenever I'm able to overcome issues in a project's development.

I believe there's a certain sense of satisfaction that comes from watching a team progress over time.
